# GOOD GRIEF! 1987-88

**GOOD GRIEF!** The year 1987-88 brought many changes. In the gym, three-point lines were painted on the floor, new backboards were installed, and the north windows were replaced by a wall. There was a New addition to the faculty, Mr. Roberts, as well as a new basketball coach, Mr. Haikalis. Homecoming, held on December 19, was a great success. On January 16, over half the school participated in a lock-in at the school held by the new Drug and Alcohol Prevention Program. One of the school buses was involved in an unfortunate accident on January 8. Although there were many students on the bus, none were seriously injured.

# Sophomores Break School Record For Candy Sales

The sophomores big fund raiser this year was the Beich candy sale. They set a new school record for total dollars sold. The sophomores' other fund raising activities were two bake sales. These successful selling campaigns mean they are on their way to achieving goals set for prom and a senior trip.

They all, of course, looked forward to getting their licenses and cruising the main streets in the 'big cities'.

Take a minute to look back on the 1987-88 school year. Hopefully the good times out-weighed the bad. We hope these pictures will keep the memories of your high school alive long after you have graduated. It's been a pleasure putting together a book that holds so many unforgettable moments. We hope you enjoy it as much as we did. We'd like to extend a sincere thank you to our staff and especially to Mrs. Blackburn for all the help and guidance she gave us throughout the year.

Sincerely,

Angela & Michele
